

Acadiana Queer Collective aims to provide opportunities for queer people of Acadiana to show up for one another and promote the positive visibility of queer people throughout the community.

- Only 6% of adults in Louisiana OPENLY identify as LGBTQ+
- 94% of LGBTQ+ youth reported that recent politics negatively impacted their mental health
- 75% of LGBTQ+ youth reported they had experienced discrimination based on their sexual orientation or gender identity at least once in their lifetime
- LGBTQ+ youth who have access to spaces that affirm their sexual orientation and gender identity report significantly lower rates of attempting suicide

Building a collaborative culture that is unified in its shared values is important for our local community today and positions Pride Acadiana well for the future. As we seek corporate sponsors for our celebration, we hope you share a unified set of beliefs and are willing to help build a culture that inspires action and change around the local community.

Why do we want to partner with organizations?
From in-kind to monetary donations used to support local nonprofits like Pride Acadiana, there are many reasons why a partnership with corporations leads to the overall benefit and increased visibility of the LGBTQIA+ community.

Why does it matter?
Beyond impacting your current employees, corporate accountability demonstrates to the thousands of attendees at Pride Acadiana events that we are committed to the LGBTQ+ community's wellbeing.
